Miraculous Ladybug When we had sex

It was a bad day. The rain fell continually. Ladybug decided to check on Adrien.

"No! I'll go check on him! Anyway, I bet e's fine." Chat Noir suggested. He looked nervous, which got Ladybug suspicious. Ladybug didn't say anything. She dashed towards his home and entered through the window.

"Adrien?" She opened the bathroom door. Chat Noir was already there and was about to turn on the shower, like he usually did, when Ladybug came to check on him and he was in Chat Noir form. But this time, too late. Ladybug was in and she was staring at Chat blankly.

"Wha- where's Adrien?" Chat scratched at the back of his head.

"Uh. About that..."

"Adrien?" Ladybug was still staring as he transformed back to Adrien.

"ADRIENIS CHAT NOIR?" Ladybug stared wide eyed and her mouth dropped open.

"I'm in heaven." She muttered, loud enough for him to hear.

"Wait I gotta go.. I'm beeping." Too late. Marinette turned back.

"So my life long crush is Marinette it seems."

"Wait what? Your lufe long-"

"Crush." He finished.

"Well then, I'll see ya later." Marinette smiled and ran back to her house.
